### **Metal Impact LLC. receives Raytheon supplier excellence award**

Elk Grove Village Illinois, (April 18, 2011) – Metal Impact was recognized for its quality and performance by Raytheon Integrated Defense Systems. Metal Impact received a Supplier Excellence Award at a recognition ceremony held at the Wyndham hotel in Andover, Mass. on April 13, 2011.

Raytheon recognizes its suppliers based on three important factors:

- On-time delivery measures
- Sustained performance on quality
- Commitment to continuous process and quality improvement.

“Our parts will provide an unprecedented level of technological capability for this program,” said Metal Impact’s CEO John Newell. “Ultimately, these parts will help protect the brave men and women of the United States Military. Metal Impact has been a Raytheon supplier for over 20 years and we are proud to make this contribution to our nation’s defense efforts.”

Metal Impact, with 2010 sales of over \$16,000,000, is dedicated to providing superior solutions for impact extrusions. They are committed to continuous improvement and uncompromised conformance to our customer’s requirements. For over 50 years, Metal Impact has provided impact extrusions to the military, automotive, truck, firearms and industrial markets. The company employs over 150 people at the Elk Grove Village facility.
